```

A diagram showing the relationship between three files. At the top is a gray box containing the header file path 'contrib/ib2tcp/ib2tcp.h'. Below it are two white boxes: 'contrib/ib2tcp/ib2tcp.cpp' on the left and 'contrib/ib2tcp/ibwrappers.cpp' on the right. Two blue arrows point from the top of each white box to the bottom of the gray box, indicating that both source files include the header file.
