

`_resize_cq`

```
graph LR; A["_resize_cq"] --> B["ibv_resize_cq"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray background and a thick black border, containing the text `_resize_cq`. The right box has a white background and a thick black border, containing the text `ibv_resize_cq`. A dark blue arrow points from the right side of the left box to the left side of the right box.
