

destroy\_connection

```
graph LR; A[destroy_connection] --> B[free]; A --> C[ibv_dereg_mr];
```

A flowchart with a central node 'destroy\_connection' on the left, which is a gray rectangle with a black border. Two blue arrows originate from the right side of this node. The top arrow points diagonally upwards and to the right to a white rectangular node labeled 'free'. The bottom arrow points diagonally downwards and to the right to a white rectangular node labeled 'ibv\_dereg\_mr'. All nodes have black borders.
